*You come up with it and we will make it!!!!*

Be a smart consumer – when booking a caterer  
request to tour their kitchen and preparation facilities.  
Always ask what grade of meat you are receiving and  
whether table cloths and other amenities are included  
in the price of your function. Another hint – gratuities  
should only be applicable on pre tax amount. Some  
caterers like to charge gratuities on taxes but not at  
Niko's!
